

## RUNAWAY STRIKES AN AGE WOMAN

Mrs. M. Switzgabel Receives Injuries Which May Prove Fatal.

WAS WATCHING PARADE

MRS. H. H. HARRISON THROWN FROM HORSE AND BRUISED.

Mrs. M. Switzgabel, aged 84 years, living at 47 South Main street, was knocked down by a runaway horse at Main street and Postoffice Place about 6:30 o'clock last evening and received injuries which may result in her death.

Mrs. H. H. Harrison, who was riding the horse at the time of the accident, was thrown to the pavement and received a bad cut about the face and head. She was taken to her home, 635 East Third South street, where Dr. Bailey attended her.

Mrs. Switzgabel was taken to her home in the patrol wagon and was attended by Dr. Sharp. Her injuries were a broken arm, dislocated shoulder and several bad cuts about the face and head. It is feared that the old woman will not survive.

Mrs. Switzgabel had by hard effort managed to reach the Federal building, where she was standing watching the parade. A horse ridden by Mrs. Harrison became frightened near the corner of Third South and Main streets and started down Main street at a high speed. At a point directly opposite where the old lady was standing the horse turned, made straight for the sidewalk, and at the same time threw Mrs. Harrison to the street. Mrs. Switzgabel was unable to get out of the horse's way and was knocked down. The horse also fell, but was soon on its feet again.

### Moved in Half an Hour.

Bystanders picked up the old lady and carried her into the Doull drug store, where she was given medical aid and made as comfortable as possible. About half an hour after the accident occurred the patrol wagon arrived and took Mrs. Switzgabel to her home in the rear of 47 South Main street.

The old lady lives all alone in her little house, but kind-hearted neighbors soon had her in charge, rendering her every aid possible. It is believed that she is injured internally. She was suffering extreme pain, but was not rendered unconscious by the accident.

Mrs. Harrison's injuries were less painful, but she was rendered unconscious by the fall. The time which she was riding was recommended as a gentle animal that would not take fright easily. The noise and confusion on the streets last night was too much, however, and by the time the animal reached Third South and Main streets it was in a frantic condition. Mrs. Harrison lost control of the animal and before her husband could assist her the horse was racing down Main street.

Mrs. Harrison made a good effort to remain in the saddle, but the horse was determined to throw its rider and she was finally caught in the stirrup and she was dragged for about 100 feet before she could get loose. Had it not been for this fact, she probably would have escaped unhurt.

### FAMILY IS DESTITUTE.

Salvation Army Solicits Aid for Mrs. A. J. Davis.

The Salvation Army desires to issue an appeal to the charitable inclined public of Salt Lake through the columns of The Herald for assistance for Mrs. A. J. Davis, No. 27 North Fifth West street. Her case has been thoroughly investigated and found to be one of destitution and poverty, as she is practically destitute and penniless with two little tots depending on her.

Clothing and groceries are needed, but a kitchen table, chairs, a bed and bed clothes are especially needed.

SMITH-BAILEY COMPANY.

Utah Pharmacal Company Takes Over Manufacturing Department.

An error which might be misleading and confusing occurred in a mention in yesterday morning's Herald of the incorporation of the Utah Pharmacal company. It was stated that the new company took over the Smith-Bailey stock and firm name. This is not the case, the manufacturing department of the Smith-Bailey is no change in the name of the concern, which is widely known as the Smith-Bailey company.

CROWD AT MASQUE BALL.

The largest crowd of the season attended the big masque ball at the Auditorium pavilion last evening. It was in the nature of a Halloween party and proved to be a big success in every respect. The crowd was well behaved and the management took pains to see that dancers and spectators had an enjoyable time, and they succeeded. The building was brilliantly lighted with colored electric and gas lights and jack o' lanterns were scattered about the hall. Prizes were awarded for the most attractive and for the most unique costumes. The following were the winners: Miss M. B. Donaldson, ladies' best costume, first prize, silver toilet set; Mr. McPhee, gent's best costume, first prize, silver toilet set; Miss Belle Kay, ladies' most novel costume, pair of shoes; Mr. G. L. Nay, gent's most novel costume, silk umbrella.

McCoy's, ivory carriages and light ivory. Both pairs \$1.

### Charity Ball.

Tickets for the charity ball, to be given at Odeon hall Nov. 17, for sale at The Herald business office.

## IMMENSE DEAL IS CONCLUDED IN SYNDICATE'S PURCHASE OF METROPOLITAN HOTEL CORNER

Property at Third South and West Temple purchased by half-million-dollar corporation which will make extensive improvements.

The biggest real estate deal in Salt Lake since the famous Newhouse coup of two years ago has just been concluded in the sale of the Metropolitan hotel corner, Third South and West Temple streets. The purchase price is announced as about \$300,000.

The big deal has been completed by a syndicate of Salt Lake bankers, mining and real estate men, associated with whom is a prominent Butte capitalist who is about to remove here to make his permanent home. They have formed a corporation to buy the corner and make extensive improvements which will mark a new era for that section as a portion of the city's business center. The articles of incorporation of the new company are drawn up and will be filed in a few days under the laws of Utah.

That the successful consummation of this deal will mark another important step yet in the southward movement and growth of the business section of the city is considered certain. It will be an immense boost for realty in that vicinity and will inaugurate a number of business structures which are soon to spring up there.

The purchase of the Metropolitan ho-

tel corner is only the first of a number of big deals which the corporation, which was formed for large operations in realty, will put through. Negotiations are now under way for the purchase of several other valuable corners, which are to be improved for business purposes.

The Metropolitan hotel corner is known as the Judge Hallett property. Over two years ago it was brought from Judge Hallett by a party of Los Angeles capitalists, who, in turn, have just disposed of it to the Salt Lake syndicate. The deeds have been signed and the final formalities of the transfer await only the completion of the printing of the stock and bond certificates, which are now in the hands of a local lithographer.

The new company of Salt Lake purchasers is capitalized at \$500,000, and options have been secured on several other strategic corners. The hotel is a substantial structure, and the present walls will be retained in the extensive improvements which are planned for that property.

The property faces south and west and includes, besides the Metropolitan hotel, five one-story stores on Third South and three one-story stores on West Temple street. It has a street

frontage of 165 feet on Third South and 175 feet on West Temple. The one-story structures will be torn down to make room for the improvements.

The enterprise has been worked out only in a general way as yet, but it is planned to attract a number of up-to-date mercantile establishments, there when the buildings are ready for occupancy. The principals of the deal are keeping their names in the background until the filing of articles of incorporation.

As a vivid illustration of the remarkable advance in real estate values in that district, it is recalled that J. D. Wood and F. J. Hagenbark took an option on the property about a year ago for \$200,000. They defaulted on the option because another big deal in which they were interested failed to go through.

It is believed that the announcement of this big transaction will result in an increase in the value of the other big buildings which are planned for that vicinity. It is known that projects for the erection of buildings nearby have been under consideration for some time and the foundations for the building to be erected across the street by the Peery estate were completed last year.

## AMERICAN FLAG PARADE RECALLS DAYS OF THE LIBERAL-PEOPLE'S PARTY

The "American" party flag parade last night was the first real political parade held in Salt Lake since the days of the Liberal-People's party struggle. Four thousand men and women marched and counter-marched on Main street and if the procession was a trifle short on illumination, it was more than made up by the enthusiasm of the marchers.

The parade was a procession of thousands of men and women, many of whom were carrying flags and banners. The parade was a procession of thousands of men and women, many of whom were carrying flags and banners. The parade was a procession of thousands of men and women, many of whom were carrying flags and banners.

Three mounted policemen headed the procession. They were followed by a long line of police, in a buggy and two platoons of police under Lieutenant Hemmelt and Shannon. The police force dread any sort of parade and regard it as just so much extra work, but on this occasion they were willing and anxious to march last night. The police were followed by several hundred men and women, many of whom were carrying flags and banners.

The parade was a procession of thousands of men and women, many of whom were carrying flags and banners. The parade was a procession of thousands of men and women, many of whom were carrying flags and banners. The parade was a procession of thousands of men and women, many of whom were carrying flags and banners.

A movement is now on foot to start another section of the salesmanship class, out which will also be under the direction of John D. Spencer, but as he has been out of the city for the past few days it is not yet fully decided if the demand can be met.

If the new plan goes into effect it is proposed to have the two sections of the class meet on the same lectures at the same time, but to meet separately for recitation, discussion and practice selling. The forenoon program will be given by some expert salesman will be given before the combined sections.

The most personal contact of student and instructor in a small class has been one of the greatest factors in the success of the Y. M. C. A. The interchange of ideas by the salesmen who make up this course is considered so essential that a limit was set to the class, in spite of the association's desire to be of service to all who apply.

WILL OBSERVE Y. W. C. A. DAY. The Missionary union has decided to devote an "all day meeting" to the Y. W. C. A. This meeting will be held on Nov. 5, and the meeting will be held at the Central Christian church. The Rev. E. I. Goshen will deliver an address and the talk will be made by Mrs. E. B. Critchlow and other prominent members of the board.

The forenoon program will consist of a number of interesting papers on missionary topics, and luncheon will be served at 12:30. The meeting will begin promptly at 10:30.

The officers of the union express the wish that every woman who is in a position to take a membership and lend her aid to the work in which the union is engaged.

carry as distinguished a company as was carried in the parade last night. Decorated with flags and banners, the parade was a procession of thousands of men and women, many of whom were carrying flags and banners.

In the marching throng was prominent the University of Utah "American" club, which was carrying a long line of U. of U. cheer with the names of the "American" party candidates. Then came the auto division, which carried crowds of ladies. The machines were elaborately decorated, and we were awarded the first prize and a gold medal for quality, quantity and more men.

When we consider that the judge was especially selected as one of the most capable men from outside the state, so as to be free from local prejudice, favoritism or prejudice, such a prize and award should be something for fruit raisers of the county.

"After the fair one deputy was laid off, one was taken down sick and two of them were laid off by the county. In other work, so the statistical returns that should have been collected are not complete as no returns have been made from the county.

"The fall digging of trees has now commenced and it will require one deputy to work south of Mary and one at Holladay and Mill Creek to inspect the trees for root diseases, as they are dug up. I will be all the way to the inspection of the four nurseries in the vicinity of this city as they dig their trees."

PAYSONIAN CLUB ORGANIZED.

The organization of the Paysonian club has been effected and the following officers chosen: Mrs. Jennie Musser, president; Mrs. Sarah Wimmer, vice president; Mrs. Mary Chase, secretary and treasurer; Mrs. Minnie Fairbanks, reporter. The organization was completed in the home of Mrs. Julia Hancock, and a musical program and refreshments were enjoyed after the business session. The next meeting will be on Thursday at the home of Mrs. Jennie Musser, 141 Canyon road.

Our carpet cleaning is absolutely perfect.

NATIONAL HOUSE CLEANING CO.

WHY SUFFER?

BREATHE HYOMEI AND KILL THE LOATHSOME CATARRH GERMS.

Just as long as you have catarrh your nose will itch, your breath will be foul, you will have a headache and you will do other disgusting things because you can't help yourself. The germs of catarrh have got you in their power; they are continually and persistently digging into and irritating the mucous membrane of your nose and throat. They are now making your life miserable; in time they will sap your entire system of its energy, its strength, its vigor and vitality.

If you do not kill the loathsome germs of catarrh, their desperate assaults will in time undermine your reason, rob your brain of its brilliancy and activity, and leave you not only a physical but a mental wreck.

This picture is not overdrawn; the writer has seen thousands of just such cases. He has personally experienced the demoralizing results that come from the ravishing attacks of the horrible catarrh germs, the greatest pest of civilized nations.

But there is one remedy that will kill the germs and cure catarrh, and that is Hyomei, the Australian dry air treatment. There may be other remedies, but they are not guaranteed as F. C. Schramm's, the druggist, will guarantee Hyomei to cure catarrh, or money back. Don't delay this pleasant antiseptic treatment. Every day you allow the germs to exist in your system brings you nearer to complete demoralization. F. C. Schramm will sell you a complete Hyomei outfit for only \$1.00. Ask him about it. It is also guaranteed to cure bronchitis, asthma, coughs, colds and hay fever.

For sale by F. C. Schramm, druggist, corner First South and Main streets, "where the cars stop."
